### IT

Si tratta di un mobile con camino elettrico dotato di due ante e due cassetti. Realizzato con materiali di qualità. Le lacche non ingialliscono nel tempo e il legno ha strati di vernice che conferiscono resistenza al mobile.

### EN

*This is a piece of furniture with an electric fireplace has two doors and two drawers. Made with quality materials. The lacquers do not yellow over time and the wood has layers of varnish that give the piece of furniture resistance.*
