

Introduction

Welcome to the world of fiberglass chaise longues, a revolution in the field of glass-reinforced plastics. These products combine technological advances and refined design to offer extremely durable and visually appealing furnishing solutions, suitable for both indoor and outdoor environments.

Product Description

Our chaise longues are made with the highest quality materials and advanced fiberglass reinforcement technology, ensuring not only a modern and luxurious design but also exceptional resistance to weathering, water and UV rays. The ergonomic design ensures maximum comfort, while the smooth surface and pure white color fit perfectly into any environment.

Technical Specifications

- Certification: CE
- Design: Modern
- Material: High-quality fiberglass, fiberglass technology
- Color: White
- Features:
 - UV and extreme temperature resistance
 - High tensile strength
 - Ideal for outdoor and indoor use
 - Floating, suitable for swimming pools

Instructions for Use

1. Installation:

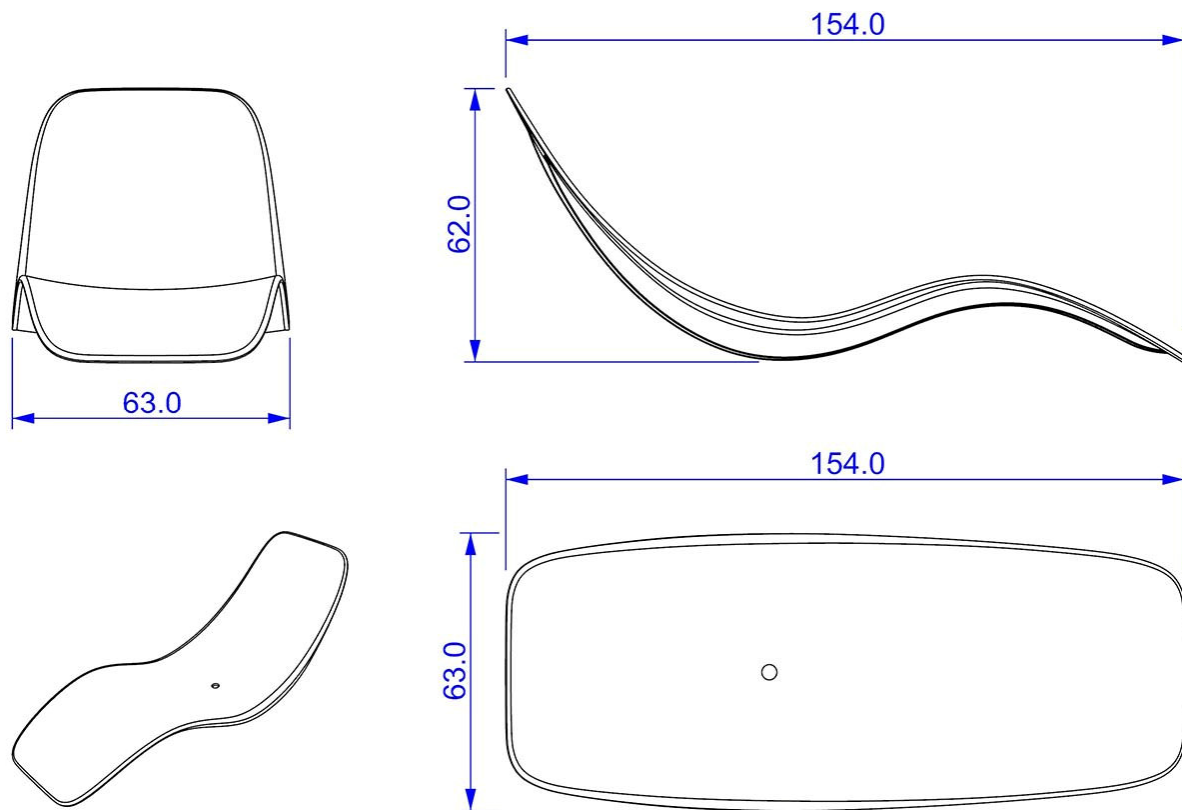

- Choose a flat surface for installation.
- Avoid direct contact with sharp objects or rough surfaces to prevent damage.

2. Maintenance:

- Clean regularly with a soft cloth and soapy water.
- Do not use solvents or abrasives.
- If exposed to chlorine or salt water, rinse with fresh water.
- For stubborn stains, use a solution of water and baking soda, apply gently with a soft cloth.

3. Storage:

- While not in use, store in a dry place away from direct sunlight to preserve the integrity of the color and material.
