Levels: Two

Capacity: Prepared for the installation of a stainless steel shower SINED with C-BOX

Included Components

Double-layer platform

SINED Shower Mounting Kit with C-BOX (Shower Not Included)

Assembly and Maintenance Instructions

Installation

Preparation

Component Check: Check that all listed components are present and in good condition. If any parts are missing or damaged, please contact SINED customer service before proceeding.

Location Selection: Choose a solid, level area for the installation of the platform. Make sure that the space is adequate to accommodate the size of the platform and that there is adequate drainage for water

Montage

Assembling the Footboard: Follow the step-by-step instructions provided in the kit to assemble the footboard structure. Make sure all connections are tight and secure.

Shower Installation: Use the specific predisposition to install the SINED stainless steel shower with C-BOX. Connect the piping according to the C-BOX instructions, making sure all connections are airtight.

Maintenance

Regular Cleaning: Clean the surface of the footplate with fresh water and mild soap to remove dirt and debris. Avoid using abrasive cleaners or wire brushes.

Annual Inspection: Periodically check the structure for signs of wear or damage. Check that all screws and connections are secure.

Weather Protection: Even though Okume marine plywood is highly durable, it is recommended to treat the surface with specific products for exterior wood every two years to preserve its finish and durability.

Safety Precautions

Maximum Load: Do not overload the footplate beyond its recommended weight capacity.

Proper Use: This platform is designed exclusively for outdoor use and as a support for showers. Do not use it for any purpose not intended.

Supervision: Ensure that children are supervised when using or playing near the footboard to prevent accidents.

Service & Support

For questions, replacement parts, or service, please contact SINED Customer Service via our website or by calling the number provided in the warranty instructions. We are here to help you ensure that your experience with the SINED product is excellent.

Thank you for choosing SINED to enrich your outdoor space. We hope your special double-layer rounded footplate will provide you with years of reliable service and satisfaction.
